NATIONAL SEMINAR

On

REVOLUTIONIZING HEALTHCARE
VIA PHARMACEUTICAL INNOVATION :
**SMART TECHNOLOGIES, ADVANCED
THERAPEUTICS AND FUTURE HORIZONS**

*Innovation
today for a
healthier
tomorrow.*

09 – 10
OCTOBER 2026
(Friday – Saturday)

APGI Auditorium
Artoni, Agra

HYBRID MODE
(Offline & Online)

THEMATIC AREAS

- Smart Drug Delivery Systems
- Advanced Therapeutics & Biologics
- Nanotechnology in Healthcare
- Pharmaceutical Biotechnology
- AI, ML and Digital Health in Pharmacy
- Regulatory Perspectives & Quality by Design
- Phytopharmaceuticals & Natural Products
- Personalized Medicine
- Translational Research and Clinical Applications
- Future Trends in Pharmaceutical Sciences

*Bridging
Science,
Technology
and
Better Health*

ABOUT SEMINAR

The AKTU-sponsored two-day National Seminar, titled "Revolutionizing Healthcare via Pharmaceutical Innovation : Smart Technologies, Advanced Therapeutics and Future Horizons," aims to provide a dynamic platform for exploring the transformative role of modern pharmaceutical sciences in advancing healthcare. The seminar will highlight emerging innovations in drug discovery and development, smart healthcare technologies, advanced therapeutic approaches, and patient-centric healthcare solutions that are redefining the delivery of quality medical care.

The seminar will bring together students, researchers, academicians, pharmaceutical professionals, healthcare practitioners, and industry experts to exchange knowledge, share innovative ideas, and discuss recent advancements in pharmaceutical science and healthcare technologies.

The event will also explore the future opportunities, emerging challenges, and evolving role of the pharmacy profession in an increasingly technology-driven healthcare ecosystem. Through expert lectures, scientific discussions, and knowledge exchange, the seminar seeks to encourage research, innovation, interdisciplinary collaboration, and entrepreneurship among young professionals and researchers.

Ultimately, the national seminar aims to inspire participants to embrace emerging technologies and innovative therapeutic strategies, contributing to the development of safer, smarter, more effective, and patient-centered healthcare systems for a healthier and more sustainable future.

OBJECTIVES

- Explore recent advancements in pharmaceutical sciences and healthcare.
- Promote innovation through AI, digital health, and precision medicine.
- Discuss advanced therapeutics, nanotechnology, gene therapy, and smart drug delivery.
- Provide a platform for knowledge sharing among researchers, academicians, healthcare professionals, and students.

MAJOR TRACKS OF THE NATIONAL SEMINAR

- Artificial Intelligence & Machine Learning in Pharmacy
- Nanotechnology & Advanced Drug Delivery Systems
- Personalized & Precision Medicine
- Biotechnology & Advanced Therapeutics
- Digital Health & Smart Healthcare
- Innovations in Drug Discovery & Development
- Cancer Therapy & Targeted Therapeutics
- Novel Formulations & Drug Delivery Technologies
- Pharmacovigilance, Drug Safety & Regulatory Sciences
- Green & Sustainable Pharmaceutical Technologies
- Clinical Pharmacy & Patient-Centered Care
- Entrepreneurship, Innovation & Future Horizon
- Data driven health care solutions

ABOUT APGI

Agra Public Group of Education (APGE) is a well-established and reputed educational group in Agra, Uttar Pradesh, with a rich legacy of providing quality education. Agra Public Group of Institutions (APGI) was established in 1999 under the visionary guidance of Shri Mahesh Chand Sharma.

APGI is a student-centric, research-oriented, and multidisciplinary educational group offering a wide range of professional programmes, including D. Pharm., B.Pharm., M.Pharm., B.Ed., M.B.A., B.B.A., B.C.A., B.Sc., B.A., B.Com and M.C.A. These programmes are offered on a sprawling 12-acre campus, providing students with a supportive and enriching environment for academic learning and personal growth.

APGI emphasizes academic excellence, practical learning, research, innovation, and skill development; fostering a student-focused approach that encourages exploration and preparation for careers in a dynamic professional landscape. The institution is dedicated to making quality education accessible to all societal segments, ensuring equal opportunities for students from urban and rural backgrounds, and promoting an inclusive environment devoid of bias.

ABOUT APGI- PHARMACY

APGI-Pharmacy is committed to providing quality, professional, and skill-based education in the field of pharmaceutical sciences. To achieve this objective, APGI runs two colleges: Agra Public College of Higher Education and Research Centre (APCHERC) and Agra Public College of Technology & Management (APCTM). APCHERC was founded in 1999 and offers Bachelor of Pharmacy (B.Pharm) and Master of Pharmacy (Branches: Pharmaceutics & Pharmaceutical Chemistry) courses. APCTM was founded in 2018 and offers Diploma in Pharmacy (D.Pharm) and Bachelor of Pharmacy (B.Pharm) courses. Colleges are approved by the Pharmacy Council of India (PCI), New Delhi and affiliated to Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow and Board of Technical Education (BTE), Lucknow. The main goal of the Pharmacy colleges is to nurture professionals in pharmaceutical sciences through quality and outcome-based education (OBE). OBE focuses on developing professionals through skill-based pharmaceutical education.

GUIDELINES

ABSTRACT PREPARATION

- Abstract should not exceed 250 words. Please state the title, author(s), author (s) affiliation on both abstract and poster.
- Abstract should be typed in MS word format (Font: Times New Roman, Font size: 12).
- The name of the presenting author must be specified by "astrick**".
- Soft copy of the abstract should be mailed to scientificappc@gmail.com.
- No hard copy of abstract would be entertained. Kindly adhere to the dates for abstract submission.

POSTER PREPARATION

- Poster size: 36"x48", Portrait orientation. Text should be legible and readable from a distance of about five feet.
- Lettering for the title should be large (at least 70-point font).
- Use all capital letters for the title.
- Font size shall be above 40 in Calibri/Arial.
- While choosing the background, select a proper color/ pattern combination.
- The time for each poster presentation is three minutes for presentation and two minutes for discussion.

ORAL PRESENTATION

- Oral presentations should be completed within 10 minutes, followed by 2 minutes for questions.
- Submit presentations in PPT, PPTX, or PDF format or on before 7th Oct, 2026.
- Use a 16:9 widescreen layout with a consistent design and clear sans-serif fonts such as Arial or Calibri.
- Presentation should include a Title, Objectives, Introduction, Methodology/Results, Conclusion, and References.
- Present only original work and acknowledge all sources appropriately.
- Arrive 15–30 minutes early, carry a backup copy of your presentation and check the audio-visual equipment.
