To Whom So It May Concern

It is to certify that Agra Public Pharmacy College has come up with startup cell to increase its efforts to prepare students for entrepreneurship/creating jobs.

This would be achieved through ideal entrepreneurial ecosystem and promoting strong inter institutional partnerships among technical Institutions. The policy aims to identify the potential of students and transform them into startup entrepreneurs.

The objective of cell is to provide students an ideal platform to showcase their ideas and work with a larger audience comprised of potential, so that more and more students will explore for entrepreneurship as a preferred career choice.
